

Systems Engineering Minor Request for Participation

Name: _____

Email: _____

Student ID: _____

Home Department: _____

Expected Graduation Date: _____

Plan of study to complete minor:

Couse Number	Title	Semester/Year	Credit Hours	Classification
SYSEN 5100	Model Based Systems Engineering		4	Required Core
SYSEN 5200	Systems Analysis Behavior & Optimization		3	Required Core
CEE 5900	Project Management		4	Required Core
Electives			3-4	Required Elective
SYSEN/MAE/etc.	Project		6	Required Core
		Total Credits:		

Proposed project:

The current list of pre-approved Systems projects may be obtained from the Systems Engineering Program Office at 202 Rhodes Hall.

Pre-approved Project Title: _____

Project Advisor: _____

If you are not enrolled in a pre-approved project, please complete:

Project Title: _____

Project Advisor: _____

Advisor NetID: _____

Overall Goal of Project: _____

Your Responsibility: _____

Size and Composition (Field) of Project Team: _____

Systems Design Aspects of Project: _____

Submission Process and Deadline

Submit this completed form to the Systems Engineering Program Office at 202 Rhodes Hall by the end of the third week of the first semester in the M.Eng. Program.
